Gears of War 4 arrived on Xbox One and Windows PC under new management. Though it represents a transition to its new developers at The Coalition, *[Gears of War 4](#)* fits comfortably within the chainsaw-filled universe that Epic Games created. If you're a veteran of the Locust War, you'll feel right at home.

Vets have long scoured battlefields for treasure, and *Gears of War 4* is no exception. The Coalition filled its first game with collectibles that not only boost your Gamerscore but deepen and expand [a game about war, home and family](#). In this guide, we'll show how and where to find every collectible in *Gears of War 4*.

No matter where you are or what you're looking for, you can hop to any section you like using the table of contents below. Good luck, soldier.
